Cop Magnet

Nicotine

It's early Saturday
and we're going to the show
On the way there
we're stopped by a cop
Sweat on my head
am I goin' away
As he's nearin'
I'm losin' my mindPay right now
Why must I pay the mother fucking
fine right now
It's not fair
It's just not fair
To make me pay now
just because I'm AsianEnd of the Saturday
we already paid the fine
On the way home
we're stopped by the cop
Sat on my hands
Or I'd find a way
To strangle his neck
for a while
