

# Cymbal Rush (The Field Late Night Essen Und Trinke

Thom Yorke

Try to save it but it doesn't come off the rug  
Try to build a wall that is high enough  
It's all boiling over, all boiling over Try to save your house, try to save your songs  
Try to run but it follows you up the hill  
It's all boiling over, all boiling over  
Your loved ones, your loved ones A normal conversation, a normal conversation  
You shoulda took me out when you had the chance  
You shoulda took me out when you had the chance All the rooms were numbered  
And the losers turned away  
Don't turn away, don't turn away There were ten in the bed  
And the little one said, Roll over  
There were ten in the bed  
And the little one said, Roll over
