

Take Away the Pain

Haley Dreis

Why, why, why were you so unhappy?

I, I, I, I cannot relate

Why why so many unanswered questions?

I, I need the truthful answers

And the hair stands still at the top of my skin

and I'm shaking, and pacing

For a second I'm fine then I lose my mind

and I'm breaking down

Pre-Chorus:

And I cry, and I cry and I cry

till there's nothing left

And we'll cry and we'll cry

till we know that

Chorus:

All we'll ever have is each other

And we need to comfort one another

Tell me how did you not know you're so precious to us

And there are so many other ways

to take away the pain

Why, why, why, did the clock stop ticking?

I, I'm aware of my morality

And then reality

It all checks in, she didn't win (no)

Snapshots and images

reveal a shadow still unveiled and

I can't believe this is happening

I wish she could hear me

[Pre-Chorus]

[Chorus]

Take my hand and wipe away the tears

[Pre-Chorus]

[Chorus]

To take it all away
