Over

SoMo

Dark clouds hanging over you and I
It's cold now from all the things that you say
Slow down, never meant your heart to face it
Don't give it up (give it up)She said, "All I wanted was your body and control
Why do we always get caught up and emotional?
Tell me that this ain't the last night we spend alone
Don't let it go, don't let it go"Now she's over, over love, over, over
Baby don't be over, over us, over, o-
Now she's over, over love, over, over
Baby don't be over us
Baby don't be over loveNo sound coming out of you and I
There's no doubt, you meant the words that you say
Hold out, give me one more chance to show you
Don't give it up (give it up)She said, "All I wanted was your body and control
Why do we always get caught up and emotional?
Tell me that this ain't the last night we spend alone
Don't let it go, don't let it go"Now she's over, over love, over, over
Baby don't be over, over us, over, o-
Now she's over, over love, over, over
Baby don't be over us
Baby don't be over loveBaby don't be over loveShe said, "All I wanted was your body and control
Why do we always get caught up and emotional?
Tell me that this ain't the last night we spend alone
Yeah, don't let it go"Now she's over, over love, over, over
Baby don't be over, over us, over, o-
Now she's over, over love, over, over
Baby don't be over us
Baby don't be over loveOver, over
Baby don't be over love
Baby don't be over us
Baby don't be over, yeah
Don't be over, yeah
Baby don't be over love
No, no
