Konichiwild

Secret Weapons

Upside down
The corners of my mind, sweet temptation
Inside out
Another clever lot in conversation
And I haven't been
Keep it to myself
I don't think you know meLately, my heart is full of gold and I can't take it
The way you say hello gets me konichiwild
Promise you won't stop me if I'm in over my head
In over my headLately, my heart is full of gold and I can't take it
The way you say hello gets me konichiwild
Promise you won't stop me if I'm in over my head
In over my head
Come on down
Stuck up there, you're on another planet
Someway, somehow
Your body moves in mine like we're everlasting
Keep it to myself
I don't think you know meLately, my heart is full of gold and I can't take it
The way you say hello gets me konichiwild
Promise you won't stop me if I'm in over my head
In over my headLately, my heart is full of gold and I can't take it
The way you say hello gets me konichiwild
Promise you won't stop me if I'm in over my head
In over my head
Heart full of gold and I'm ready to go
I'll be rich till the day I die
Heart full of gold and I'm ready to go
I'll be rich till the day I die
Heart full of gold and I'm ready to go
I'll be rich till the day I die
Heart full of gold and I'm ready to go
I'll be rich till the day I dieYou think you know me butLately, my heart is full of gold and I can't take it
The way you say hello gets me konichiwild
Promise you won't stop me if I'm in over my head
In over my headLately, my heart is full of gold and I can't take it
The way you say hello gets me konichiwild
Promise you won't stop me if I'm in over my
