

Platinum Bells

Destiny's Child

Ladies remember long ago
Long ago
We asked Santa to get us Christmas dolls
Get us Christmas dolls But now this year the dolls are you and me
The dolls are you and me
Got the children under the Christmas tree
The Christmas tree We have come so far and it feels so good
Yes, it feels so good
And we sharing all our Christmas love
All our Christmas love We invite you, you to celebrate
Just celebrate
On this very, very, very, very
Special Christmas day Platinum bells
(Platinum bells)
Platinum bells
(Platinum bells)
It's Christmas time with the children
(Children) Ring-a-ling-a-ling
(Ring-a-ling-a-ling)
Hear DC sing
(Hear DC sing)
Soon it will be Christmas Day Ring-a-ling-a-ling
(Ring-a-ling-a-ling)
Ring-a-ling-a-ling
(Ring-a-ling-a-ling) Ring-a-ling-a-ling
(Ring-a-ling-a-ling)
Ring-a-ling-a-ling
