A Ray Of Sunshine

Wham!

Turn the music up
Turn the music up
Move it move it, baby
Can't you see I'm ready to dance?
And I can't stop this rhythm in my heart
Move it move it baby
Can't you see I'm ready to dance?
Without this beat my life would fall apart
Shuffle on your feet till the floor is hot
Gonna make a lot of money gonna break your heart
Watch out boy
(Watch out boy)
Shuffle on your feet till the floor is hot
Gonna make a lot of money gonna break your heart
But I'm the only one with a key
And that's me
Sometimes you wake up in the morning with the bass line
A ray of sunshine
Sometimes you know today you're gonna have a good time
And you're ready to go
Sometimes you wake up in the morning with the bass line
A ray of sunshine
Sometimes you know today you're gonna have a good time
And you're ready to go
Move it move it baby
Can't you see I'm ready to dance?
And I can't stop this rhythm in my heart
Move it move it baby
Can't you see I'm ready to dance?
Without this beat my life would fall apart
Shuffle to the beat gonna take a cut
There's money in your feet gimme what you got
Watch out boy
(Watch out boy)
Shuffle to the beat gonna take a cut
There's money in your feet gonna stitch you up

Any other boy that you see
But not me

Sometimes you wake up in the morning with the bass line
A ray of sunshine
Sometimes you know today you're gonna have a good time
And you're ready to go
Sometimes you wake up in the morning with the bass line
A ray of sunshine
Sometimes you know today you're gonna have a good time
And you're ready to go
Turn the music up
Turn the music up, turn it up
Because it's all I've, all I've got
It's all I've got
All that I've got
All that I've got
Shuffle on your feet till the floor is hot
Gonna make a lot of money gonna break your heart
Shuffle on your feet till the floor is hot
Gonna make a lot of money gimme what you've got
You'll never get the best of me you see
Sometimes you wake up in the morning with the bass line
A ray of sunshine
Sometimes you know today you're gonna have a good time
And you're ready to go
Sometimes you wake up in the morning with the bass line
A ray of sunshine
Sometimes you know today you're gonna have a good time
And you're ready to go
Sometimes you wake up in the morning with the bass line
A ray of sunshine
Sometimes you know today you're gonna have a good time
And you're ready to go
Sometimes you wake up in the morning with the bass line
A ray of sunshine
Sometimes you know today you're gonna have a good time
And you're ready to go
