

# Club Chez Moi

## The Ordinary Boys

I can hear the city sing its lustful lullaby  
And see the drugs spill down the drains into the night  
Well, I made this bed of nails that I'm sleeping in today  
I can't just close my eyes and ignore it all away

Dance with me tonight, it's late  
And I don't want to fight so out of mind so out of sight  
So what, so dance with me tonight  
Dance with me tonight, dance with me tonight

I can tell you you go out 'til the lights go on  
And when the lights go out, well, we may well carry on  
Will you ever find this needle in a cul de sac?  
It's only club chez moi and I'm giving something back

Dance with me tonight, it's late  
And I don't want to fight so out of mind so out of sight  
So what, so dance with me tonight  
Dance with me tonight, dance with me tonight

I can hear the city sing in perfect harmony  
Late night taxi bright lights try enticing me  
Well, I set this rat trap but I'm falling in today  
I can just close my eyes but it will not go away

Dance with me tonight, it's late  
And I don't want to fight so out of mind so out of sight  
So what so dance with me tonight  
Dance with me tonight, dance with me tonight
