## **Once You Love Somebody**

## **Journey**

Two young hearts lost in love they vow to stay, Running wild they believe they've found a way Filled with hope

She's the dream, she understands you

Now this time he'll hold on, she'll never leave him

They'll never let go 'cause...Once you love somebody, (once you love)

There's no turning back (turning back)

It can burn forever, it can haunt you, haunt you in the nightHow can lovers just turn and walk away

Loneliness is an edge that cuts both ways

So easy to fall

So hard to get overOnce you love somebody, (once you love)

There's no turning back (turning back)

It can burn forever, it can haunt you, haunt you in the nightSo easy to fall, so hard to get over Once you love somebody, (once you love)

There's no turning back (turning back)

It can burn forever, it can haunt you, haunt you in the night(once you love somebody), once you love (they can break your heart), no no no

It can burn forever, letting go, that's the hardest part
