

# The Fire Still Burns

## Twisted Sister

You thought it was gone but the fire goes on  
And I thought you knew me, I told you before  
Till I settle the score that I'll never run free  
I have enough pain and anger in my brain to last many lifetimes  
Yet still it grows and the more that it shows, I won't have peace of mind  
The fire, the fire still burns  
The fire, the fire still burns I have a dream and as strange as it seems  
There's no embers glowing  
The fire's gone out and there's no need to shout  
'Cause no anger's showing But it's not true, nothing I ever do seems to ease my fury  
Get out of my way, I'm the hangman today and the judge and jury  
The fire, the fire still burns  
The fire, the fire still burns  
The fire, the fire still burns Fire, fire, still burns  
Fire, fire, still burns  
Fire, fire, still burns  
Fire, fire, still burns Fire, fire, still burns, fire, fire, still burns  
The fire, the fire still burns  
The fire, the fire still burns  
The fire, the fire still burns The fire, the fire still burns  
The fire, the fire still burns  
The fire, the fire still burns
