The Fire Still Burns

Twisted Sister

You thought it was gone but the fire goes on And I thought you knew me, I told you before Till I settle the score that I'll never run free

I have enough pain and anger in my brain to last many lifetimes

Yet still it grows and the more that it shows, I won't have peace of mindThe fire, the fire still burns

The fire, the fire still burnsI have a dream and as strange as it seems

There's no embers glowing

The fire's gone out and there's no need to shout

'Cause no anger's showingBut it's not true, nothing l ever do seems to ease my fury Get out of my way, l'm the hangman today and the judge and juryThe fire, the fire still burns

The fire, the fire still burns

The fire, the fire still burns

The fire, the fire still burnsFire, fire, still burns

Fire, fire, still burns

Fire, fire, still burns

Fire, fire, still burnsFire, fire, still burns, fire, fire, still burns

The fire, the fire still burns

The fire, the fire still burns

The fire, the fire still burns The fire, the fire still burns

The fire, the fire still burns

The fire, the fire still burns
