

# Don't Want to Fight

Alvin Lee

Don't want to fight, just want to love you  
Just call my name, I'll be around  
Right here tonight, I want to love you  
It's time to stop this fooling around Don't want to fight, just want to love you  
Let's get it right this time around  
Don't hang me up, I'm thinking of you  
It's time to get our feet off the ground I spent my lifetime searching  
Drifting like a rolling stone  
But now my heart is hurting  
I've had enough, I'm coming home  
Don't want to talk, just want some action  
Don't stand me up, don't bring me down  
I know you want some satisfaction  
It's time to stop this fooling around I know your love is still burning  
I've had enough time to play  
But now this yearning is turning me 'round  
Don't try to fight it, don't throw it away  
Don't want to fight, just want to love you  
Let's get it right this time around  
Don't hang me up, I'm thinking of you  
It's time to get our feet off the ground.
