Take Me out Your Mind

Monarchy

I didn't fall in love with you
it must be in your mind, see
I know I didn't fall in love with you
don't pin me with your eyesDon't touch me, no
Don't want you getting too close
See you're ill and I'm the cause, yeah
See you're ill and I'm the cause, yeah
Don't call my name
you know you can't own me
I know you're ill and I'm the cause, yeah
Won't you take me out your mind
I won't be staying
Take me out your mind
This game I'm not playing
I won't be confined, no
Tears they won't sway me
So come on, let them flowWhat did I do
To push you so into me
This is not about the sex
No more smiles please
How can this not get through to you
It's really not complex
Don't touch me, no
Don't want you getting too close
See you're ill and I'm the cause, yeah
See you're ill and I'm the cause, yeah
Don't call my name
You know you can't own me
I know you're ill and I'm the cause, yeahWon't you take me out your mind
I won't be staying
Take me out your mind
This game I'm not playing
I won't be confined, no
Tears they won't sway me
So come on, let them flowThis is not the love song
That you asked me forThis is not the love song
That you asked me forSo lonely without you
