

The War Is Over

Sarah Brightman

My statures are falling
Like feathers of snow
Their voices are calling
In a whispering world
Waiting for the morning glow Heaven is calling
From rainy shores
Counting wounded lights falling
Into their dreams
Still searching for an open door In morning dew
A glorious scene came through
Like war is over now
I feel I'm coming home again Pure moments of thought
In the meaning of love
This war is over now
I feel I'm coming home again An arrow of freedom
Is piercing my heart
Breaking chains of emotion
Give a moment to pray
Lost innocence to find it's way Fields of sensation
A cry in the dark
Hope is on the horizon
With a reason to stay
And living for a brand new day In morning dew
A glorious scene came through
Like war is over now
I feel I'm coming home again Pure moments of thought
In the meaning of love
This war is over now
I feel I'm coming home again Salam Allah yeh duniya al ensaan
Ah ah ah Allah mata aheya bhihabu aama
Salam Allah
Salam Allah
Salam Allah yeh duniya al ensaan In morning dew
A glorious scene came through
Like war is over now
I feel I'm coming home again Pure moments of thought
In the meaning of love
This war is over now
I feel I'm coming home again

To you
