

I Am Nothing

Electric Wizard

Stillborn children. Saturn's children the living dead
We have created this abyss, darkness, surrounding us
Raise the flag of hate against this human race
Rise and kill & wipe them all away....I Am Nothing

I Mean Nothing

I See Nothing

I Feel Nothing...as I kill you We the Old Ones did not forget

We are the Supercoven, we wait with bated breath

They think themselves as Gods ..now are they free?

Mindless slaves to their lusts and technology I Am Nothing

I Mean Nothing

I See Nothing

I Feel Nothing....as I kill you
