

# Ah No No (feat. Translee)

T.I.

Stained coffee cup  
Just that fingerprinted lipstick's not enough  
Sleep, where you lay  
Still a trace of innocence on the pillow case Waking up  
Beside you I'm my loaded gun  
I can't contain this anymore  
I'm all yours I've got no control  
No control  
Powerless  
And I don't care it's obvious  
I just can't get enough of you  
The pedal's down, my eyes are closed  
No control Taste on my tongue  
I don't want to wash away the night before  
And the heat where you laid  
I could stay right here and burn in this all day Waking up  
Beside you I'm my loaded gun  
I can't contain this anymore  
I'm all yours I've got no control  
No control  
Powerless  
And I don't care it's obvious  
I just can't get enough of you  
The pedal's down, my eyes are closed  
No control Lost my senses  
I'm defenseless  
Her perfume's holding me ransom  
Sweet and sour  
I devour  
Lying here I count the hours Waking up  
Beside you I'm my loaded gun  
I can't contain this anymore  
I'm all yours I got no control  
No control  
Powerless  
And I don't care it's obvious  
I just can't get enough of you  
The pedal's down, my eyes are closed  
No control

No control  
No controlPowerless  
And I don't care it's obvious  
I just can't get enough of you  
The pedal's down, my eyes are closed  
No control
