And through all Alex's wondrous childhood
He would honor and obey
Love and watch the lovely maiden
On whose gentle arms he just lay All men, all must be mild and obedient
All men, all must be mild and obedient
As good as he And through all Alex's wondrous childhood
He would honor and obey
Love and watch the lovely maiden
On whose gentle arms he just lay All men, all must be mild and obedient
As good as he And all men, all must be mild and obedient
And all men, all must be mild and obedient
And all
