

Ozone

Ace Frehley

I'm the kind of guy who likes feelin' high
Feelin' high and dry and I really like to fly
I'm your kinda guy, girl, I'm not too shy
And I want you to fly, so, I think you oughta try Ozone, ozone, ozone I'm your kinda guy and I'm not too
shy
Feelin' high and dry and I want you to be mine
So, I think it's time, girl, to start feeling fine
Feeling good all the time, so, I think you oughta try Ozone, ozone, ozone, ozone Now, I'm the kinda guy who
likes getting high
Getting high and dry and I do it all the time
If you think it's a crime and you don't wanna try
Something that'll make you high, then I think I'll say goodbye 'Cos I'm the kind of guy who likes getting high
Getting high and dry and I do it all the time
Now, I'm much too high, I am high and dry
And I'm feelin' fine, I'm feelin' good all of the time
