

# How Does It Feel

## Cinema Bizarre

I don't know what you've been through  
I see it on you I don't know  
What you've been through  
Now how does it feel  
How does it feel  
How does it feel now  
How does it feel

You've always been just like a riddle  
I find you so hard to figure out  
I could just wonder till forever  
Still there something I don't know about

I don't know what you've been through  
I see it on you I don't know  
What you've been through  
Now how does it feel  
How does it feel  
How does it feel now  
How does it feel

Let me in it's now or never  
No matter how I try to win  
It never gets any better  
And now I'm sitting here again...

I don't know what you've been through  
I see it on you I don't know  
What you've been through  
Now how does it feel  
How does it feel  
How does it feel now  
How does it feel

Tell me now, tell me now I need to know  
Tell me now, tell me how I need to know  
How it feels  
How does it feel, how does it feel

Tell me now, tell me how I need to know

Tell me now, tell me how I need to know  
How it feels

I don't know what you've been through  
I see it on you I don't know  
What you've been through  
Now how does it feel  
How does it feel  
How does it feel now  
How does it feel

Tell me now, tell me how I need to know  
Tell me now, tell me how I need to know  
How it feels  
How does it feel  
How does it feel now  
How does it feel
