Our God (Audicid Remix)

Chris Tomlin

Water, You turned into wine
Opened the eyes of the blind
There's no one like You
None like YouInto the darkness, You shine
Out of the ashes we rise
There's no one like YouNone like YouOur God is greater
Our God is stronger
God, You are higher than any other
Our God is healer
Awesome in power
Our God, our God
Into the darkness, You shineOut of the ashes, we riseThere's no one like You
None like You
Our God is greaterOur God is stronger
God, You are higher than any other
Our God is healer
Awesome in power
Our God, our God
Our God is greater
Our God is stronger
God, You are higher than any other
Our God is healer
Awesome in power
Our God, our God
And if our God is for us
Then who could ever stop us
And if our God is with us
Then what could stand against
And if our God is for us
Then who could ever stop us
And if our God is with us
Then what could stand against
Then what could stand against
Our God is greater
Our God is stronger
God, You are higher than any other
Our God is healer
Awesome in power
Our God, our God

Our God is greater
Our God is stronger
God, You are higher than any other
Our God is healer
Awesome in power
Our God, our God
And if our God is for us
Then who could ever stop us
And if our God is with us
Then what could stand against
And if our God is for us
Then who could ever stop us
And if our God is with us
Then what could stand against
What could stand against
What could stand against
