Psalm 150

J Moss

Sittin here think 'bout times
I thought I wasn't gon' make it
Times I should've been dead
And been gone But God felt different
But I'm still all because of His goodness
I'm a living witness miracles still fall from heaven

He moves when we don't expect Him to
He knows the doors that we face
And He speaks right before we stop believin
He shows His love through his grace

I'll praise Him in the sanctuary
I'll praise Him with the tremble and dance
I'll praise Him with the trumpet and symbol
Since I'm breathin, I'm goin praise Him again

Sittin here think 'bout times
I thought I wasn't goin' make it
Times I should've been dead
And been gone But God felt different
But I'm still all because of His goodness
I'm a living witness miracles still fall from heaven

He moves when we don't expect Him to
He knows the doors that we face
And He speaks right before we stop believin
He shows His love through his grace

I'll praise Him in the sanctuary
I'll praise Him with the tremble and dance
I'll praise Him with the trumpet and symbol
Since I'm breathin, I'm gon praise Him again

I'll praise Him in the sanctuary
I'll praise Him with the tremble and dance
I'll praise Him with the trumpet and symbol
Since I'm breathin, I'm gon praise Him again

Hallelujah

Hallelujah
Hallelujah
Go on and get yours
Now let's dance!

Hallelujah
Hallelujah
Hallelujah
Go on and get yours
Now let's dance!

Hallelujah
Hallelujah
Hallelujah
Hallelujah
Hallelujah
Hallelujah
Hallelujah
Hallelujah
Hallelujah
Hallelujah
Hallelujah
Hallelujah
Hallelujah
Hallelujah
Hallelujah
Hallelujah

I'll praise Him in the sanctuary
I'll praise Him with the tremble and dance
I'll praise Him with the trumpet and symbol
Since I'm breathin, I'm goin praise Him again

I'll praise Him in the sanctuary
I'll praise Him with the tremble and dance
I'll praise Him with the trumpet and symbol

Since I'm breathin
Since I'm breathin
Since I'm breathin
Since I'm breathin
Since I'm breathin
Since I'm breathin
Since I'm breathin
Since I'm breathin

Since I'm breathin, I'm goin praise Him again
