

Outrageous Love

[LeAnn Rimes](#)

Jealous, we make them jealous
They only wished
But we did
Trouble, let's make some trouble
You and I we're not afraid of the forbidden I want a love so high even the stars look up
I want a soul so deep even the ocean drowns
I want an outrageous love
I want an outrageous love Shocking won't kill us
We're on one hell of a ride
And sorry
Why be sorry?
Any other kind of love would be lie
I want a love so high even the stars look up
I want a soul so deep even the ocean drowns
I want an outrageous love
I want an outrageous love Greedy I know
I'm demanding
I make a mess of you
You make a mess of me
Want nothing more
Take nothin' less than love with a vengeance
It's what you would go to hell and die for?
Oh it's what you would sell your soul for
So come on come on come on
Come on come on come on come on
I want a love so high even the stars look up
I want a soul so deep even the ocean drowns
I want an outrageous love
I want an outrageous love
I want an outrageous love
