

Hiya

Grace Deeb

Hiya, hiya, hiya, hi Don't be so jaded
I'm quite sincere
Though we may differ You'll be right here
Top of the heap
Kings of all we survey The last thing's a clinker
Who says it's not?
Just try your best It's all that we've got
It's all that we've got
It's all that we've got Hiya
Hiya, hi
Hiya
Hiya, hi
Hiya
Hiya, hi
Hiya
Hiya, hi
