

Hiya

Grace Deeb

Hiya, hiya, hiya, hi
Don't be so jaded
I'm quite sincere
Though we may differ
You'll be right here
Top of the heap
Kings of all we survey
The last thing's a clunker
Who says it's not?
Just try your best
It's all that we've got
It's all that we've got
Hiya
Hiya, hi
Hiya
Hiya, hi
Hiya
Hiya, hi
Hiya
Hiya, hi
Hiya, hi
