Waiting On A War

36 Crazyfists

I'm waiting on a war, this is panic setting in (2)From what it seems, all could use some cleansing
Better hurry up since were not pretending
And panic wouldn't mean so much if there was such a thing as end in sight
But I know it's only coming in waves, to steal our silenceWe're waiting on a war, coming through this weather, all aboard...(all aboard), into the storm...With all of this brings death of descending
Belief with the sun comes never ending
As long as there is life in heart, there will be a thing as endless fight
But I know it's only coming in waves, to steal our silenceWere waiting on a war, coming through this weather, all aboardIt's only here I find myself where karma looms a long way down and a long way out, come lock us in...
While we're waiting, seems like a lifetime, but while we're waiting all aboardWe're waiting on a war, coming through this weather, all aboard
Horizons from the shore, too many bloody hands, take back your life
We're waiting on a war, we're coming through this weather, all aboard, into the storm
