# Flash In The Night

## Secret Service

As a break of dawn came closer
AII my hopes seemed so forlorn.
The misty signs of laughter
And the light eluded all.
And my despair was caught in motion
A face just barely true -
Shadows in blue.A flash in the night . . .
A flash in the night . . .
A flash in the night . . .
A flash in the night . . .In the changing of the season
Releasing one lost nam.
The scar once healed forever
Dissolving in the rain
A twig snapped in the clearing
A glimpse of golden skin
My face withinA flash in the night . . .
A flash in the night . . .And my despair was caught in motion
A face just barely true -A flash in the night . . .
A flash in the night . . . . . .
