

# Granny

## Wind Waker NGC

You were always were so nice  
When it came to problems you knew  
    I never did think twice  
    About ever coming to you  
    So granny, what on earth can I do?  
Granny, granny, what on earth can I do?  
    'Cause this little girl, this little girl  
She's a driving me wild, she's a driving me wild  
    So wild, so wild, so wild  
    You always straightened me out  
    When I was feeling rough  
    But this one I really doubt  
    'Cause this one's really tough  
    Oh granny, what on earth can I do?  
Granny, granny, what on earth can I do?  
    'Cause this little girl, this little girl  
She's a driving me wild, she's a driving me wild  
    So wild, so wild, so wild  
    So granny, what on earth can I do?  
Granny, granny, what on earth can I do?  
    'Cause this little girl, this little girl  
She's a driving me wild, she's a driving me wild  
    So wild, so wild, so wild
