# Ether

## YOB

Inside two worlds explode
Two words made up of dust
The dust the essence of ageless pain
Never will i see the sun again
The planet the race
Enthralled with ice and snow
Glacial rivers of compressed hate
Never will i see the sun again
Never will i be the same again
Never will i be able to defend
Never will i be the same again
Awake in ageless time
No place to call home
Searching the expanse for a sign
Never will i see the sun again
The tears sting my eyes
Like liquid diamonds fall
Ablaze in the all in the ecstasy
Never will i see the sun again
