

Need 2 Know

Marissa

Everything you need 2 know is all I need 2 know, all I need 2 know
When I'm ready I will let you know,
We ain't made it there yet baby, so you ain't gotta know
Wait till our love grow, but until then you don't need 2 know, you don't need 2 know oh oh oh
You don't need 2 know, you don't need 2 know oh oh oh what's going on
When you're not around it's all I need 2 know for right now
You don't need 2 know,
We're not there yet, we're not on that level, so I need from you to get yourself together
You'd be tryina clock me yeah, tryina make me turn around
So you can watch me yeah, but it don't work like that no, no, baby
It don't work like that, I need you to run back, baby, run back
'Cause you try me when you ask where I be,
Boy, I need you to let me to be
Everything you need 2 know is all I need 2 know, all I need 2 know
When I'm ready I will let you know,
We ain't made it there yet baby, so you ain't gotta know
Wait till our love grow, but until then you don't need 2 know, you don't need 2 know oh oh oh
You don't need 2 know, you don't need 2 know oh oh oh what's going on
When you're not around, it's all I need 2 know for right now
You don't need 2 know,
Don't take this the wrong way, don't take this the wrong way
I'm just having fun, baby I'm just having fun
and yet you're the one that I chill with, but don't you become the one hard to deal with
But it don't work like that no, no, baby
It don't work like that, I need you to run back, baby, run back
'Cause you try me when you ask where I be,
Boy, I need you to let me to be
Everything you need 2 know is all I need 2 know, all I need 2 know
When I'm ready I will let you know,
We ain't made it there yet baby, so you ain't gotta know
Wait till our love grow, but until then you don't need 2 know, you don't need 2 know oh oh oh
You don't need 2 know, you don't need 2 know oh oh oh what's going on
When you're not around, it's all I need 2 know for right now
You don't need 2 know
