

# Reinventing Your Exit

## Underoath

12 and high on a Sunday  
Feeling like we're grown  
And we're nothing short of invincible  
Invincible, invincibleIt starts again  
Can you feel it?  
It takes your breath away  
Stop saying that we're invincibleAround and round  
You're uninviting, unrewarding  
And I'm misinforming you  
Misinforming youWe all want to be, want to be somebody  
Right now we're just looking for the exitThis is the way I would have done things  
Up against the wall  
Up against the wall  
You got me up against your wallThis is the way I would have done things  
Up against the wall  
Up against the wall  
You've got me up against your wallIt's you and me on a Monday  
The lies that we told  
This is where we both go numb nowYou broke my heart again this time  
You're fading now you crossed the line  
You've crossed the lineWe all want to be, want to be somebody  
Right now we're just looking for the exitThis is the way I would have done this  
Up against the wall  
Up against the wall  
You got me up against your wallThis is the way I would have done this  
Up against the wall  
Up against the wall  
You've got me up against your wallReaching out for a hand  
It's not there  
But you're not there  
You're not thereThis is the way I would have done this  
Up against a wall  
Up against your wall  
This is the way we should have done  
When we're up against a wall  
Up against the wallThis is the way I would have done this  
Up against the wall  
Up against the wall  
You got me up against your wallThis is the way I would have done this

Up against the wall  
Up against the wall  
You've got me up against your wall
