

Girl You Look Amazing

Nicole Atkins

[Verse 1]

Losing a night
In basement town
It's a bump and run
Man to man downAnother fly
Buzzin around
Watching sped up scenes
Spun by broken machinesLife's a pearl for
The nowhere girl
Oh darlin see what you're missin?Don't worry I
Pretended you
Were someone else
When I kissed you
He said[Chorus]
"Girl you look amazing
This party's over
Now I'd like to take you home"Girl you look amazing
I never wanna, no I never wanna go
Ho-oh-ooome
I never wanna, no I never wanna go
Ho-oh-ooome[Verse 2]
If we've got heartbeats to spend
I'm gonna spend my night
Cashing them inLosing a night
In basement town
For a bump and run
Man to man downIn the gutter
You discover
All the things you missYou want to take
Me by the hands
And show me love
I will never understand[Chorus]
He said "Girl you look amazing
This party's over
Now I'd like to take you home"Girl you look amazing
I never wanna
No I never wanna go
Ho-oo-ooomeeeee

Oh-ooo-wah-ah-ooooomeIn the gutter you discover all the things you miss
