Take Him In My Heart

Accept

Once upon a time
There was a girl so young and sad
And holy prayers blessed her sleep
Before she went to bedHer body was immaculate
Her hair was shinning gold
With twenty still a virgin
For a virgin rather oldBut no one could imagine
How the girl would need a man
She dreamed about a man all night
So sadly, so sadlyTake him in my heart, it's a long way to start
With a man who doesn't exist for you
Take him in my heart, it's a long way to start
If you don't know where's your way to goOne morning she was feeling bad
And didn't go to school
She went to town to find a man
Who fucks her very coolMoving hard and randly
She was walking down the street
Suddenly she saw a man
The man she dreamed to meetHello guy, you're looking good
Don't you think it's alright?
To love me now, I need a man
So badly, so badlyTake him in my heart, it's a long way to start
With a man who doesn't exist for you
Take him in my heart, it's a long way to start
If you don't know where's your way to goThe man looked in her eyes
And took her kindly by the hand
I want you help you, babe
But I can't understandWhy don't you leave your castle
And try to live your life?
Without your holy prayers
You will do it always rightYou think you are the greatest
And whole world is your own
For ever you will feel so good
So happy, so happyTake him in my heart, it's a long way to start
With a man who doesn't exist for you
Take him in my heart, it's a long way to start
If you don't know where's your way to goTake him in my heart, it's a long way to start
With a man who doesn't exist for you
Take him in my heart, it's a long way to start

If you don't know where's your way to go
