Kisses (feat. Trim)

Anushka

You and me, should I follow?
Should I leave, leave, leave
It's so like me,
To walk blindly, blindfolded
I can't see, see, seeRunning on the spot, I'm moving supersonic
Always way too fast, it makes me wanna pause it
I'm not saying nothing, don't you say another wordJust wanna wake up to kisses from a boy
Just wanna wake up to kisses from a boy
I'll stay close if you do
I won't move you don't too
Kisses from a boy
Just wanna wake up to kisses from a boy
I'll stay close if you do
I won't move you don't too
Kisses from a boy
Just wanna wake up to kisses from a boy
I'll stay close if you do
I won't move you don't too
I've got her waking up to kisses on the neck
Still got a week in the knits, come vicious in the bed
Morning after, lipstick on my chest
Clothes in the passage, broken dishes on my deck
It's crisis, I call it grittle, caught you messing with my bread
Got my neighbors and my business like something needs to be addressed
And if these walls could talk, they'd probably play as deaf
While I'm killing out with silence and blowing kisses while you textSo boy, who's gonna move first
It's not chess that we're playing, you know it's dominoes
Hit them on the table nicely
Boy, who's gonna move first
It's not chess that we're playing, you know it's dominoes
Hit them on the table nicelyRunning on the spot, I'm moving supersonic
Always way too fast, it makes me wanna pause it
I'm not saying nothing, don't you say another word
Just wanna wake up to kisses from a boy
Just wanna wake up to kisses from a boy
I'll stay close if you do
I won't move you don't too
Kisses from a boy
Just wanna wake up to kisses from a boy

I'll stay close if you do
I won't move you don't too
Kisses from a boy
Just wanna wake up to kisses from a boy
I'll stay close if you do
I won't move you don't tooI've got her waking up to kisses on the neck
I've got her waking up to kisses on the neck
I've got her waking up to kisses on the neck
