## Fear Factory

Caught beneath visions of hatred  
Drowning fast in sounds of silence  
Caught between divisions of hate  
Can't breathe under this weight of existence Too strong  
Too strong for you  
Too strong  
Too strong for you Caught beneath visions of hatred  
Drowning fast in sounds of silence  
Caught between divisions of hate  
Can't breathe under this weight of existence Too strong  
Too strong for you  
Too strong  
Too strong for you Drowning  
Drowning  
Drowning  
Drowning Drowning  
Drowning  
Drowning  
Drowning Caught beneath visions of hatred  
Drowning fast in sounds of silence  
Caught between divisions of hate  
Can't breathe under this weight of existence Too strong  
Too strong for you  
Too strong  
Too strong for you
