

# Ragin' Cajun Redneck Christmas

## The Robertsons

They're stringing up lights down on Main Street  
Saw a tree tied up on the hood of a Humvee  
Brother Bill's at the store ringing that bell  
I throw a little change in his cup so I won't go to Hell

    Yeah, that's what Mama taught me  
    And that's what Daddy showed me

    Chorus:

At the ragin' Cajun redneck Christmas  
    Dancing Santa out in the yard  
    Joy to the world, wrote on the roof  
We ain't got much, but we work real hard  
    Got 100,000 colored lights  
    Blowing them fuses left and right  
Just drive on by, buddy, you can't miss us  
    At the ragin' Cajun redneck Christmas  
    Gotta buy a Barbie doll and a toy robot  
    You can't buy me nothing I ain't got  
Some folks wanna know what it's really for  
    Down here we know it's about the Lord  
    Yeah, that's what Mama taught me  
    And that's what Daddy showed me  
    Repeat Chorus  
At the ragin' Cajun redneck Christmas  
    Ain't no snow out in the yard  
    Oy to the world, wrote on the roof  
Got us and the dogs on a Christmas card  
    Got 50,000 colored lights  
    Blowing them fuses left and right  
Just drive on by, buddy, you can't miss us  
At the ragin' Cajun redneck Christmas
