

# Alive

Steve Mason

You know I sleepwalk through it  
Just like there's nothing to it  
And they will sing to you, baby  
As they tax you daily  
You know I can't sleep silent  
Because I know what lies behind it  
And if you want from me baby  
It could chase you daily  
When they say it's not true but you know that's a lie  
I sweat for the day, at night I cry  
But would you wanna see me alive?  
I wouldn't wanna see me alive  
But would you wanna see me alive?  
I wouldn't wanna see me alive  
Did you float it all out?  
Did you have your wee shout?  
Because the songs that they sing to you, baby  
They made you crazy  
Just push 'em out your life  
And don't even think twice  
Because they double crossed us baby  
They made you fat and lazy  
When they say there's nothing to it you know that's a lie  
I sweat for the day, and all night I cry  
But would you wanna see me alive?  
I wouldn't wanna see me alive  
But would you wanna see me alive?  
I wouldn't wanna see me alive  
I walk it all, I walk it all  
I walk it all, I walk it all  
I walk it all, I walk it all  
But would you wanna see me alive?  
I wouldn't wanna see me alive  
But would you wanna see me alive?  
I wouldn't wanna see me alive  
But would you wanna see me alive?  
I wouldn't wanna see me alive  
But would you wanna see me alive?  
I wouldn't wanna see me alive
