

# Safe and Sound

## Rebelution

When we come down, o yeah yeah yeah  
We'll be dreaming safe and sound  
    You better know why  
    Baby that's all I got,  
When we come down, o yeah yeah yeah  
We'll be dreaming safe and sound  
    You better know why  
O Baby that's all I got, O baby that's all I got  
Is This the kinda sound that you wanna hear,  
    Is This the kinda vibe that you wanna feel,  
Well I'm the type of guy that you'll never fear,  
    You can do your thing then come near,  
        Maybe I'm,  
I'm caught up in the thing that you know I like,  
    I'll check it one time, baby overnight  
        See we can make a grand escape,  
        And We can roll high, and maybe break,  
        I'm all about the look that you're givin' me,  
I'm all about the dance moves you're lettin' free,  
Well I'm all about a sweet sounding loving spree,  
    So Listen for my melody,  
        And maybe I'm,  
Caught up in the thing that you know I like,  
    You check it one time, baby overnight  
        See we can make a grand escape,  
        We can roll high, by the way  
And when we come down, o yeah yeah yeah  
We'll be dreamin' safe and sound,  
    You better know why,  
    O Baby that's all I got  
When we come down o yeah yeah yeah  
We'll be dreamin' safe and sound,  
    You better know why,  
    O Baby that's all I got,  
    O Baby that's all I got,  
Yeah This the kinda sound that I wanna hear,  
    This the kinda vibe that I wanna feel,  
And you're the type of girl, baby on the real,  
    Check it one time, what's the deal?

Maybe I'm,  
I'm caught up in the thing that you know I like,  
I'll check it one time, baby overnight  
So we can make a grand escape,  
And we can roll high, by the way  
And when we come down o yeah yeah yeah  
We will be dreaming safe and sound  
You better know why, baby that's all I got  
When we come down o yeah yeah yeah  
We will be dreaming safe and sound  
You better know why, baby that's all I got  
When we come down, o yeah yeah yeah  
We'll be dreaming safe and sound  
You better know why  
Baby that's all I got,  
When we come down, o yeah yeah yeah  
We'll be dreaming safe and sound  
You better know why, o yeah yeah yeah  
O Baby that's all I got,  
O baby that's all I got  
O baby that's all I got
