

Steel Tormentor

Halloween

Headless
Pulling the machine down
Coming to the low sound
Feeling like a real man Racing
Flashing from down under
Flesh and blood and thunder
Trembling wheel in cold hand Faster, much faster
wot a human speed disaster
Deeper, much deeper
on through the void I cast'er I'm a steel tormentor
And I speed 'round every curve
I'm a mean inperator
Of my intimate machine Turkey
Near to devastation
losing all my patience
Cannot make this kit fly Danger
Muscular contraction
Out for satisfaction
Mere intoxication Nightride, it's nightride now-
try to catch my tail lights
So sad, I'm so sad
But you won't ever suck my steel bride I'm a steel tormentor
And I speed 'round every curve
I'm a mean inperator
Of my intimate machine
