

# Let This Go

## Five Finger Death Punch

Its such an ugly thing  
The way you treated me  
I should've walked away  
Never to look back!  
Its all still haunting me  
I'm still in disbelief  
A broken memory!  
Fading into black! I won't save you  
I motherfucking hate you  
There's no escaping and you're never gonna fucking see!  
You don't know me  
Yeah, you don't know me  
And you can't control me,  
It's rolling in your fucking dream! I don't know  
When I lost it all, when I lost control  
I don't know  
If I could ever let this,  
Ever let this go! There's nothing you could say  
To make me want to change  
You should've walked away,  
Now you fucking run!  
Its all just such a waste  
The time you stole from me  
And now you're on your knees,  
Look into the gun! I won't save you  
I fucking hate you  
There's no escaping, and I'm never gonna fucking see!  
I don't know you  
And I don't want you  
You're uncontrollable, and living on a fucking dream! I don't know  
When I lost it all, when I lost control  
I don't know  
If I could ever let this,  
Ever let this go! I don't know,  
If I could ever let this,  
Ever let it go! I don't know (I don't know if I can! I don't know when I lost!)  
When I lost it all, when I lost control  
I don't know (I'll never let this go! I'll never let it go!)  
If I could ever let this,

Ever let this go!
