

Welcome to My World

Kindred the Family Soul

[Intro]

Yeah

Yeah yeah yeah

Yeah yeah[Verse 1]

I never been no dummy

But I'll be vulnerable with love

I trusted only

Cause it never failed me no

Now give me free

Cause I'm rich with my supply

And I'm surely a woman

Standing right before your eyes[Chorus]

Welcome to my world

Welcome to my heart

I wanna give you this love

Help you make a brand new start baby[Verse 2]

I'm clever when I'm funny

So I wanna make this moment memorable and unique

They can't take you from me

You're in my blood, flowing from my head down to my feet

I'm offering it my all

Cause you've shown that you deserve

Your presence is giving me life, baby

To leave me, to leave me more than want[Chorus]

Welcome to my world

Welcome to my heart

I wanna give you this love

Make a brand new start me and you babe

Welcome to my world

Welcome to my heart

I wanna give you this love

I wanna make a brand new start me and you[Bridge]

Me and you girl

Me and you babe

Me and you babe

A brand new start
