

# Winter Martyrium (Live in Lichtenfels)

## Kreator

Hypnotized by the masses  
And a future torn apart  
Agony, the final conflict  
Hatred yet ignored  
Love is colder than death  
And in coldness we'll remain  
Everlasting territories  
Freedom lies in chains  
Destroying dreams against all norms  
They spread it all across the earth  
Dominion without a form  
Winter Martyrium  
Dead civilization on a mission  
Lead by gods  
Etiquette creates a cause  
To turn your back from life  
Secrets never told before  
Construct culture absurd  
Hit you like a shell shock  
As integrity has died  
Destroying dreams against all norms  
They spread it all across the earth  
Dominion without a form  
Winter martyrrium  
Wide awake to the end  
Wide awake to the end  
Crisis and perpetual incest  
Performance of an nameless act  
Sadness takes your concentration  
Individual cages that we face  
Destroying dreams against all norms  
They spread it all across the earth  
Dominion without a form  
Winter martyrrium for the masses  
And a future torn torn apart  
Agony, the final conflict  
Hatred yet ignored
