

# Mama D

## Mr. Big

Mama D. has a way of fixing the hole  
Where the water runs out my soul  
When you sing for me, save me, Mama D.  
What she feels, my Mama D.  
Mama D. wears a dark brown coat in the sun  
And the light in her eyes burns so strong  
And the melody heals me, Mama D.  
Set me free, my Mama D., yeah  
She won't bring you down  
If your shit outta luck  
She can't live it down  
I might as well live it up, live it up  
Mama D. has a way of seeing the truth  
Through a lie or just an excuse  
Or a tragedy, show me, Mama D.  
Whatcha see, my Mama D., yeah, yeah  
She ain't from another  
Free, free, free, my, my, my Mama D.  
She won't bring you down  
If you're shit outta luck  
She can't live it, live it down  
Might as well live it up, live it up, live it up  
Yeah, yeah, hey, my Mama D.  
My Mama D.
