

Hit the Floor

Amplified

Verse 1:

The night is here, I'm with my friends and they all brought beer
With Amplified you'll never drink alone
The time is now, I grab my friends and head on down
I feel the party juices running through my veins

Pre-Chorus 1:

I'm trying not to drool, acting cool, when I'm on the floor

I cannot deny, were on fire and I loose control

Chorus:

There's a pounding in my chest when i hit the floor

And a feeling in my heart that i can't ignore

There's a voice inside my head that's screams for "more!"

Verse 2:

We hit the club, were strutting in and the music stops.

And everyone is looking right at us.

They think we're fake, they think we walked in by mistake.

Then we show them who we really are.
