

Sweet Little Sister

Skid Row

She blew my mind like a wreckin' machine
She was a shipload of trouble called the subway queen
Had a hip with bad habits and a shake that was a bit obscene
One night I caught her runnin' out the cellar door
There was about a million people, lyin' flat on the floor
For such a sweet little lady, I would swear she's rotten to the core
She got her hands in the cookie jar
Smilin' like an alligator
Makin' headlines in the back of her car
Tight-lipped now but sink ships later
Well I know a thing or two about, sweet little sister
Her mama kill her if she knew what she doin' tonight, sweet little sister
She'll love you black and blue, sweet little sister
She's Mona Lisa with a new tattoo
She's my sweet little, sweet little sister
Every quittin' time is another disease
Too many cowboys ridin' high, shootin' low at the knees
The back hand boogie is the price you pay for bein' the squeeze
The pettin's gettin' heavy got her tongue in her
ear
Her friend is doin' time for kickin' ass on a queer
They're in a mental state and all their friends are here
She's tellin' lies through her burgundy lips
Angel on a mission of mercy
She'll get you dancin' with the crack of her whip
Take you up to Heaven in her rocket ship
I know a thing or two about, sweet little sister
Her mama kill her if she knew what she doin' tonight, sweet little sister
She'll love you black and blue, sweet little sister
She's Mona Lisa with a new tattoo
She's so sweet, sweetest little
She got her hands in the cookie jar, smilin' like an alligator
Makin' headlines in the back of her car
Tight-lipped now but sink ships later
I know a thing or two about, sweet little sister
Her mama kill her if she knew what she doin' tonight, sweet little sister
She'll love you black and blue, sweet little sister
She's Mona Lisa with a new tattoo
She's my sweet little, sweet little sister
Yeah, yeah, yeah, yeah
