

Break Your Heart

Natalie Merchant

Now listen to me baby
Before I love and leave you
They call me heart breaker
I don't wanna deceive you
If you fall for me
I'm not easy to please
I'm might tear you apart
Told you from the start, baby, from the start
I'm only gonna break break your break break your heart
I'm only gonna break break your break break your heart
I'm only gonna break break your break break your heart
I'm only gonna break break your break break your heart
There's no point trying to hide it
No point trying to evade it
I know I got a problem
Problem with misbehavin'
If you fall for me
I'm not easy to please
I might tear you apart
