You Made Me Love You

Jimmy Durante

You made me love you
I didn't wanna do it
I didn't wanna do it
You made me want youAnd all the time you knew it
I guess you always knew it
You made me happySometimes you made me glad
But there were times
You made me feel so badYou made me sigh for
I didn't wanna tell you
I didn't wanna tell youI want some love
That's true, yes, I do
'Deed I do, you know I doGive me, give me what I cry for
You know you got the brand of kisses
That I die for
You know you made me love youGive me, give me what I cry for
You know you got the brand of kisses
That I die for
You know you made me love you
