

All of Me

Lloyd

[Wale]

I appreciate your resistance shorty,
hmm, I wouldn't fuck with me either...

All of me, that is.

Lets go-[Verse 1: Lloyd]

Hey girl,

I like what you've got on

How about you take it off

It's just you and me don't be shy

Baby show me what you're working with.

Damn, you're so fine

I've never seen a body so divine

What you waitin on?

Come and get it

Baby I just want a little bit,

Better yet...[Chorus]

Take all of me

all of me..

because I just want to give you my all.

So can you take all of me?

all of me..

Your body is telling me what you want

so Ima give it all.[Verse 2]

Where you going girl?

Don't run away

You was talking all that shit the other day

About how you can take it

and how I wasn't ready..

Baby I think you're mistaken

Because you're over there,

I'm over here

Now you're looking scared

Why'd you disappear?

I told you Ima come correct

And I ain't even break a sweat

Girl, I ain't even finished yet[Chorus]

Can you take all of me?

all of me..

because I just want to give you my all.

So can you take all of me?
all of me..
Your body is telling me what you want
So Ima give it all[Verse 3: Wale]
Hold up,
Wale though.
Love is what she needs,
but a brother can really just give in
With that said,
what she brings got me thinking I can reconsider
got me thinking she can be my Mrs.
got me thinking that I need to stop trippin
smoking, talking 'bout our pain
drinking 'til we in our feelings
uhh, whats rougher is I like her when I like her
she dislikes the fact 'cuz i like the fact that cant fight back for she loves more
and she loves hard
when she does so,
I'm on and on
because the last time I said the last time
that my old flame was a false alarm
I know, I know, I'm not the best
at monogamy
but be an optimist
and let God protect as far as having you
give me half of you,
He can have the rest
No promises,
believe its all just game girl
because if I go inside that,
I bet you'd go insane girl
Work![Chorus]
Can you take all of me?
all of me..
because I just want to give you my all.
So can you take all of me?
all of me..
Your body's telling me what you want
So Ima give it all [4x]
