

# Let It Be Sung

Jack Johnson

There must be a forecast  
That you won't let yourself see  
So you keep watching as you're driftin'  
Sail away from what you need Why don't I just give you  
Everything you'll take from me  
'Cause nobody owns anything  
If everyone is free  
That's why This ship is goin' down  
Desperately I need a sound  
A song to sing so we could carry on  
Just let it be sung so we could carry on God fearing people at the bottom of the sea  
Walkin' without lanterns let a stone skip over thee  
Hi ho we're weightless in the sea  
Hi ho be gone and lets just dance  
Waltz above the ocean This ship is goin' down  
Desperately I need a sound  
A song to sing so we could carry on  
Just let it be sung so we might carry on  
Let it be sung so we  
Let it be sung so we could carry on I've heard all of the stories  
And in them I've put my trust  
You gotta touch the bottom before you can come back up  
And I know what your heart is telling you  
'Cause my hearts telling me the same thing too That this ship is goin' down  
Desperately I need a sound  
A song to sing so we could carry on  
Just let it be sung so we might carry on  
Let it be sung so we  
Let it be sung so we could carry on
