All Day

MBK Twins

Chorus:
All day All day aint heard from her all day
and when I ask her where she been she say some shit they all say
Phone dead, with a friend, that's that shit they all say if you was with her like you say why you aint call me all day
All day All day aint heard from her all day
and when I ask her where she been she say some shit they all say
Phone dead, with a friend, that's that shit they all say if you was with her like you say why you aint call me all day

Verse 1:
Okay, I'm wondering
Where the fuck you been all night
You say your phone been dead with me that shit aint sitting right.
Would I be wrong if I call up my ex to spend the night
An hit you with that text like I ain't coming in tonight?
All day aint heard from her all day
This shit is new to me she usally one call away.
An I know she see my call cause her phone ringing all the way
but she continue to lie and shit they all say
Bitch you bogus
Thought you was here for me
If I find out you was cheating bitch you won't hear shit from me.
Delete my number out your phone the rest is history.
Just act like we aint never met cause we weren't meant to be

Chorus:
All day All day aint heard from her all day
and when I ask her where she been she say some shit they all say
Phone dead, with a friend, that's that shit they all say if you was with her like you say why you aint call me all day
All day All day aint heard from her all day
and when I ask her where she been she say some shit they all say
Phone dead, with a friend, that's that shit they all say if you was with her like you say why you aint call me all day

Verse 2:
First you say you went to work now you claim you was with your friends
You steady wanna lie when I ask you where you been

You say he just some guy then you say that he just a friend
And this shit aint adding up girl this shit don't make no sense
I caught you up
But You thought I was sleeping
So dont lie and say ima for accusing you for cheating
You Dumb bitch
Didn't know that I can see shit
And the bullshit that you're hiding from me really aint a secret
Let me go through your phone (bitch)
Cause you don't want me to see it
If you're faithful like they all say why the fuck do you delete it
I don't need this,
Fuck you
And your phone,
You can keep it
I don't give no fuck let me get my shit no you stay bitch im leaving

Chorus:
All day All day aint heard from her all day
and when I ask her where she been she say some shit they all say
Phone dead, with a friend, that's that shit they all say if you was with her like you say why you aint call me all day
All day All day aint heard from her all day
and when I ask her where she been she say some shit they all say
Phone dead, with a friend, that's that shit they all say if you was with her like you say why you aint call me all day
