

# (Don't Fear) The Reaper

## Sever Your Ties

All our times have come  
Here but now they're gone  
The seasons don't fear the reaper  
Nor do the wind, the sun or the rain  
Oh, we can be like they are  
    Come on baby  
    Don't fear the reaper  
    Baby, take my hand  
    Don't fear the reaper  
    We'll be able to fly  
    Don't fear the reaper  
    Baby, I'm your man  
    Valentine is done  
    Here but now they're gone  
Romeo and Juliet are together in eternity  
    Romeo and Juliet  
40,000 men and women everyday  
    Like Romeo and Juliet  
40,000 men and women everyday  
    Redefine happiness  
Another 40,000 coming everyday  
Ah, we can be like they are  
    Come on baby  
    Don't fear the reaper  
    Baby, take my hand  
    Don't fear the reaper  
    We'll be able to fly  
    Don't fear the reaper  
    Baby, I'm your man  
    Love of two is one  
    Here but now they're gone  
    The last night of sadness  
    It's clear that we couldn't go on  
The door was open and the wind appeared  
The candles blew and then disappeared  
Curtains flew and then he appeared  
    Saying, don't be afraid  
    Come on baby  
    And we had no fear

And she ran to him  
Then we started to fly  
They looked backward and said goodbye  
We had become like they are  
We had taken his hand  
We had become like they are  
Come on baby  
Don't fear the reaper  
We had become like they are  
Like Romeo and Juliet  
We had become like they are  
Like Romeo and Juliet  
We had become like they are  
Like Romeo and Juliet  
We had become like they are  
Like Romeo and Juliet
